**SUB SCHEME FOR THE ENGAGEMENTS AS PROFESSIONAL ENGLISH AND
MATHEMATICS TEACHER WITH FIXED “HONORARIUM” /CONSOLIDATED
AMOUNT**

1. INTRODUCTION.—The State Government's decision to make English a compulsory subject from Class 1 to Class 12 is a significant step towards improving education standards.

The State's education system is facing an acute shortage of professionals in school education. It has also been observed that, in the past, the state government formulated various policies to recruit teachers at the PTA, SMC and sub-division levels, yet talented professionals could still not be appointed.

The Government has now decided to end such *ad-hoc* policies and to frame a new policy that ensures recruitment is carried out in accordance with Articles 14 and 16 of the Constitution of India, while staying within the state's financial resources.

Moreover, it has been noted in the public sector that when appointments are made on a regular basis, efficiency and professional ethics tend to decline, causing loss to the education system.

To ensure a robust and equitable education system, the state must prioritize merit-based, transparent recruitment while safeguarding its financial stability—thereby restoring confidence in our schools and securing a brighter future for all students.

To achieve this goal, the government plans to formulate a special policy for engaging “English Teachers and Mathematics Teachers” with higher educational standards than those prescribed in the Recruitment and Promotion rules for TGT/PGT positions.
